

## WORLDWIDE FRIENDS OF QUO VADIS

<http://www.virtualpolishcommunity.org/>

*Virtual Polish Community is a group whose mission is to integrate and develop the Polish community online through cooperation on joint projects. These projects are commonly video montages made in cooperation with many world-wide Polonia organizations.*

*"Niezależna Organizacja Europejskiej Młodzieży Polonijnej" translates into an organization for young Poles scattered across Europe. We will be having 4 representatives of this organization at Quo Vadis II, ready to learn about American and Canadian initiatives. We hope to network well with these individuals, hopefully establishing target projects in cooperation with them and V&P.*
